PRODUCT STORY

The BERKSHIRE chair is a combination of old and new, contemporary, and traditional. The Square back reflects the current trend while the waterfall front brings back the maximum comfort of the past. The aluminium frame offers a lightweight aspect which makes setup easier and quicker for staff. Your guests will also appreciate all that this chair brings to their dining and event experience. The Berkshire has proven to be a popular choice in hotels, clubs, conference centres, churches, and community halls.
