PRODUCT STORY

The Mity Lite FLEX folding chair weighs in at 20% less than other folding chairs from leading competitors, the Flex•One™ Lite folding chair is easy to handle and nests securely when stored in a purpose designed cart. Flex•One™ Lite conforms to each individual's unique shape, minimizes pressure points, and truly becomes the "ONE chair that fits every BODY!" Schools, universities, community halls and churches all have found the Mity Lite Flex to be their best seating option.
