

FLY
FAMILY

PRODUCT STORY

The FLY stool accompanies the multi-purpose chair height version beautifully. Fully resolved with a sled or 4 star swivel option the Fly stool is available in a standard 950 height with upholstery options to accompany the standard polypropylene shell.

In house and COM available for this collection.

OPTIONS

Sled, 4 star swivel, upholstered seat pan and full upholstered options. Standard finishes are white, black, red, blue and green with COM available for upholstered versions.

DIMENSIONS

Please refer to next page.

FABRICATION

Wire base brushed or powder coated with polypropylene shell with low profile high density foam for the upholstered version. Easy slide glides come as standard for all versions.

WARRANTY

10 Year Commercial Warranty.
